

**SPRINGDALES SCHOOL**  
PUSA ROAD – NEW DELHI

**CIRCULAR for Classes XI & XII**

Dear Parents,

23<sup>rd</sup> April, 2024

Your ward must have received the school diary by now. Kindly refer to Page number 13 of student's diary for 'Important Dates of the School Academic Calendar 2024-25'. These dates are tentative but will give you a fair idea about the period of assessments.

Teachers are in the process of giving a handout about details of the Practical / Project work, subject wise, that forms the basis for internals comprising of 30/20 marks. Only in Fine Arts, the practical is of 70 marks and the theory paper is of 30 marks.

The date sheet and the syllabus for the forthcoming 50 marks unit tests that commences from 1<sup>st</sup> July will be given by this weekend.

The soft copy for Term Wise Syllabus for all the subjects will be uploaded on their G-Suite classrooms as well as on the website of the school.

It is advisable to take a printout and maintain the same in a file for ready reference.

The CBSE circular giving details of various tools of assessment for Scholastic and Co-Scholastic areas will also be uploaded on the school website.

We hope that this will give you clarity regarding the Assessments and year round school curriculum.

Looking forward for a fruitful session and providing a happy engaging space to our children.

Warm Regards

*Mala Gupta*
