

SPRINGDALES SCHOOL, PUSA ROAD

CIRCULAR

02/08/2021

Dear Parents,

I take this opportunity to thank you all for the support you have shown in the endeavour of bringing back the school uniform. It was a deeply satisfying experience for all staff members to see Springdalian wearing their school uniform while attending classes. This will help create a genuine school experience online.

I would also like to remind you of the rules of attendance / absence from the school. Parents are requested take prior permission from the school in case leave is required for more than two days. It has been brought to my notice that many a times the school is merely informed about the same by the student.

Let us follow the procedure as clearly outlined in the student's diary.

Looking forward for your continuous support.

Stay Safe.
